Coldwell-Banker

After 18 years in the European financial world, Maria has returned to her passion, real estate. Her cosmopolitan experience has given her a deep understanding of and appreciation for real estate, both as an investment and place of refuge. She provides her clients a level of service and experience

rarely found. Maria is pleased to offer the tools available through Coldwell Banker's Previews® Marketing, offering sellers of luxury properties unmatched exposure. For more information, contact Maria at 561-758-1605 or jmmsohn@aol.com

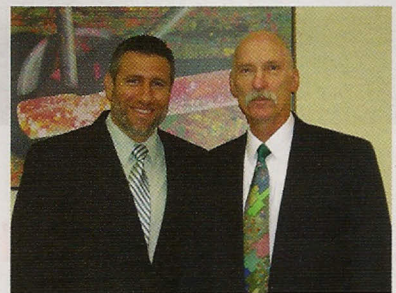

Own Realty

Own Realty is a full service, luxury, real estate brokerage firm. It's President, Perci Piéto, pioneered a global matching system, pairing international buyers of Miami property, with company multilingual associates. Own Realty lets sellers choose to list property for a monthly flat fee based on individual needs and all Own Realty associates receive a 90/10 commission split. The firm's philosophy is: "The best way to predict the future is to create it"... www.ownrealty.com

Piquet Realty

With alliances in 75 countries, Piquet Realty provides unlimited and innovative real estate solutions for our local and international client base. Piquet Realty is able to substantially increase our client's success because we utilize our presence in countries, such as Brazil, to attract foreign buyers. Brazil currently has one of the strongest economies in the world and Brazilians have the purchasing power to take advantage of Miami's real estate market. As a result, Cristiano Piquet, owner of Piquet Realty, opened another Real Estate boutique in Brazil and employed his relationships to personally introduce sellers and condominium developers to cash buyers from Brazil.
